4EO. H. HOHE, Sergeant, Signal Corps, U. S. A. A RECEIVER APPOINTED. Judge Baxter, of the United States circuit court, yesterday, in answer to the prayer of certain of the creditors of the city of Memphis, appointed Judge T. J. Latham receiver. with power to take possession of all the assets of that city with a view to settling with its creditors pro rata. The judge, who has views that are amusingly latitudinarian, and that are limited not so much by Federal or State law as by his predispositions and Cadwalader, deceased. seeming personal enmity toward the people of Memphis, intimated very plainly that he could and might go beyond the powers conferred in the present instance and assume the functions that old-fashioned people suppose is lodged solely in the egislative authority, and levy a tax or taxes | Florida. to make up for any deficit that may remain

after the delinquent taxes have been collected and the other assets have been applied to the payment of the creditors of the old corporation. He did not set up any control or interference with the Taxing-District government, but the bill which was filed and met with his approval, very plainly intimates that contingent possibility in the near future. Judge Baxter has heappointed us. In delivering himself of United States after the first of July, 1872: \$50, No. 3101 to 3170, both inclusive; \$100. his views, he has been very, and as we 22,951 to 23,300, both inclusive; \$500, 11,151 to 10,300, both inclusive; \$1000, 42,301 to think unnecessarily, severs. He has been extra-judicial, and leaned more to old Nor-43,400, both inclusive; \$5000, 12,751 to bury, who prejudged every case, than he did bury, who prejudged every case, than he did to Sir Thomas More, or even the convictedly 23,000, both inclusive. Total amount of registered bonds, \$10,000,000. corrupt Lord Verulam. He was unnaturally hostile to his own people, and seemed in a hurry to put himself on record for the bondholder.
